SUMMARY

Artificial Intelligence and Machine Learning graduate with knowledge of Python, Machine Learning, Deep Learning, Computer Vision, and Software Development. Hands-on experience in AI-based projects, web applications, and model deployment. Seeking an entry-level opportunity to apply technical skills and contribute to organizational growth.

PROJECTS

Modernize AI: Transforming Tradition with AI

Built an AI-powered system using Streamlit and Stable Diffusion to generate eco-friendly building designs and recommend sustainable materials based on budget and climate preferences.

Healthy Hives: Honeybee Foraging and Pest Monitoring

Developed a deep learning-based web application using YOLOv8 to detect and classify honeybees as foraging or infected, improving early pest detection accuracy. Integrated Flask backend for real-time predictions.

Mood Color Quote App

Developed a dynamic web application using JavaScript that changes UI colors and displays motivational quotes based on user mood, improving user engagement.

INTERNSHIP

AI/ML Intern | VisionAstraa EV Academy

Developed a Traffic Sign Recognition System using Few-Shot Learning and ResNet34. Performed data preprocessing, model training, evaluation, and deployment using Streamlit for real-time image and camera-based predictions.

TECHNICAL SKILLS

Languages: Java, Python, SQL

Web Technologies and Databases: HTML, CSS, Flask, Streamlit, Gradio, MySQL,

AI/ML Tools: PyTorch, YOLOv8, Hugging Face, Stable Diffusion, ControlNet, Labelling

Data Science Tools: Google Colab, Jupyter Notebook

Version Control & IDEs: GitHub, VS Code

DevOps & Cloud (Basic): Git, CI/CD, Docker, Linux Fundamentals, AWS/GCP Fundamentals

SOFT SKILLS

Communication, Leadership, Team Collaboration, Adaptability, Active Listening

EDUCATION

B.E. (Artificial Intelligence and Machine Learning)

2026

Vivekananda College of Engineering and Technology, Puttur

CGPA: 8.27 /10

Pre-University Education

2022

Vittal PU College, Vittal

Percentage: 83%

SSLC Education

2020

Government High School, Manila

Percentage: 89.28%

CERTIFICATIONS

Machine Learning — Elewayte

Hackathon 2k23 Participation Certificate — IEEE Mangalore Sub Section and VCET | Dec 2023

Deep Learning — NPTEL Online Certificate
